REPORT OF THE School Board.

CONDITION OF SCHOOLS.

No. 1.

The spring term in district No. 1, was taught by Miss Mattie M. Goodwin. Miss Goodwin has had charge of this school for several terms, and has accomplished her work in a very satisfactory manner.

The fall term was taught by Miss Abbie S. Beede. We consider ourselves very fortunate in being able to secure a teacher of the ability of Miss Beede. Her work was thorough and the scholars as a whole, have shown an interest, and marked improvements in nearly every branch taught.

No. 1.

The spring term in this district was under the instruction of Miss Grace E. Smith who is the embodiment of enthusiasm in her school work. We were much pleased with the progress of the children throughout the term.

The fall term was taught by Miss Eloise Eaton. Miss Eaton was a faithful and conscientious teacher and fair progress was made.

Nos. 3 and 4.

Districts 3 and 4, combined, were taught by Miss Abbie C. Grover. We consider that the work in this school has been fully up to the standard of former years, and we feel well satisfied with the progress of this school throughout the year.

REMARKS.

In presenting the annual report of our schools, we would say that in our opinion the schools have been prosperous throughout the year.
